In Roger's current role as a lawyer for Westlands, he was part of the contingent that met with Bob P and Bob Sussman a couple months ago. Alexis and i were on the phone for that. Their (WWD's) agenda was very general then - basically an update on the BDCP. I imagine that is what they would talk about with us as well. I don't think Alexis needs to be part of that (unless she wants to be). So i would suggest that Abi delegate to Water Division.

Of course, we could make it a broader conversation if we wanted to and invite the Ag program. WWD is the biggest irrigation district in the country.

I spoke with Teddy and she thought it might be related to Westlands/Bay Delta? She thought Karen and Tom Hagler would know what Mr. Martella may be talk to R9 (Jared/Alexis) about and/or if it should the 18th floor or simply the water division ...

Hello Roger - thanks for circling back. I wanted to let you know of recent changes in our management team: : Alexis Strauss has become our Deputy Regional Administrator, and Nancy Woo is the acting Director of our Water Division. I'm copying Nancy on this email, as well as Abi Gaudario, our executive scheduler here in the front office. Nancy can work with you and Abi to help coordinate a meeting and agenda.

In the meantime, enjoy the waning days of summer!

Best,  
Teddy

Hi Teddy—Hope you're having a great summer as it quickly comes to close. Wanted to check back in; there is still a lot of interest in meeting with Region 9 and sharing information regarding the projects that are likely to become before the Agency in the near term as well as coordination with the HQ discussions. Please let me know if you'd like to discuss some dates. I know how busy you are, and if you'd prefer I can coordinate with someone on your team. Either way, I hope to see you soon! -- Roger
